Natalia

"I have been using the spray for more than a 1 year now because of hair loss and thin. It does work and I do use it daily as directed and the result is good."

Eureka

"I started thinning about a year or so ago, and didn't worry too much at first, but it just kept falling out! After using Keranique and getting great results, I can't say enough good things about it! To me, Keranique is CONFIDENCE!"
